Round 2: Minute to Win It

Note: The following tasks are meant to give you examples of the kinds of tasks that may be in the games at convention. They may or may not be included in the actual games.

Total 100 points possible.

- **Jain-ictionary (30 points possible):**
 - Each team will choose a representative for this task.
 - The representative for one team will now receive a Jain concept or word from the moderator. The rest of the team will have 60 seconds to guess what it is; however, the team member will only be allowed to explain the concept by drawing it out (no words! We will provide you with paper). The team will receive 10 points for guessing the answer within the 60 seconds and no points otherwise.
 - The teams will compete one after each other (not at the same time) and each team will go three times.
- **Solve the Anagram (40 points possible):**
 - a. Solve the following anagram of the Jain word or phrase. At the start of the 60 seconds, the team will be given the anagram; after 20 seconds, the team will receive one hint; after another 20 seconds, the team will receive a final hint.
 - b. Points will be awarded as follows: 20 points for solving the anagram in the first 20 seconds, 15 points for solving it after the first hint but before the second, and 10 points for solving it after the second hint but before the end of the 60 seconds.
 - c. Teams will be given anagrams of similar difficulty and each team will go twice.

Examples:

 1. VAT TRUTH ART AS AT
 - a. clue 1- universally accepted scripture by all Jains
 - b. clue 2- has 10 chapters
 - c. Answer: tattvartha sutra
 2. MALA can fill up GAS faster THAN rani
 - a. clue 1- this is believed to bring good luck and happiness to families
 - b. clue 2- it has 8 auspicious objects
 - c. Answer: ashta mangal
- **Timeline (30 points possible):**
 - a. A board with a horizontal line will be used for this task and teams will go one after the other.
 - b. At the start of the 60 seconds, the team playing will receive a list of 10 Jain figures, events, or other things that occurred on a certain date. The team will have 60 seconds to put the list in order by making a “timeline” (writing the words on the blank line). No specific dates will be required; the team simply needs to write all items on the list on the timeline in the correct order.

- c. 2 points will be awarded for each item placed in the correct position in the order. For example, if in the correct order Mallinath would be 3rd on the timeline, and if in the team's timeline Mallinath is in the 3rd position, the team would be awarded points for that. If a team correctly orders all 10 items on the list, the team will receive 10 bonus points.
